NEWPORT NEWS.

A Box Contained Skeleton of a Murdered Man Found.

Corner Stone of New St. Paul's P. E. Church Laid—Fine Address by Bishop Randolph—Young Man in Trouble—Exports.

Newport News, Va., November 2.—The abnormally high tide produced by the recent hurricane which swept over this section has revealed evidences of what was probably a most deliberate and brutal murder. While walking down the beach, about a mile below the city, this afternoon Longshoreman Gilmore, who is employed at the piers here, discovered a rude wooden box which had evidently been buried in the sand, but which had been uncovered by the action of the waves which were hurled upon the shore by the heavy wind. This box contained the skeleton of what was evidently a white man, about 6 feet 10 inches in height, and around the skeleton was a long piece of three-quarter inch Manila rope, which had undoubtedly been used to pinion the arms of the victim of what is believed to have been a diabolical murder. The manner in which the rope was fastened about the bleaching bones leads to the theory that the man was buried alive and else his slayers were in too big a hurry to dispose of the body to take time to remove the rope after putting their victim out of the way. It is quite apparent that the body had been imbedded in the sand for many months. The matter will be reported to the proper authorities, who will investigate it as far as possible, but there is little hope of accomplishing anything at this late day in bringing the murderer to justice.

CORNER-STONE LAYING.

The corner-stone for the new St. Paul's Episcopal Church, on Thirty-fourth street, between Washington and Lafayette avenues, was laid this afternoon about 3 o'clock by the Rev. J. F. Ribble, rector of the church. There was a large crowd present and the program was an interesting one.

The first part of the program was conducted by Rev. J. F. Ribble, rector of St. Paul's Church, after which the Masons went through the ceremonies attendant on the laying of the corner-stone. When the stone was "well and truly laid," Bishop A. M. Randolph, of the Diocese of Virginia, was introduced and he made an excellent address. The Bishop is a fine speaker and his remarks were listened to with attention. The exercises were closed with the singing of a hymn, after which the Masons marched to their lodge hall.

YOUNG MAN IN TROUBLE.

Thomas Lench, a young man who had an unpleasant experience in this city some months ago and who returned recently, probably regrets that he decided to return to this promised land. He is now in jail awaiting the action of the grand jury of the Corporation Court, having been sent on this morning by Justice Brown on the charge of unlawfully entering the room of a guest at the Brunswick House and taking therefrom an overcoat valued at \$12 and a coat and vest valued at \$10.

GOOD EXPORT BUSINESS.

The exports from Newport News during the month of October were valued at \$2,320. This is less than the value for September by about \$1,300, 000, but it will compare favorably with the value for October, 1898. The car-famine last month and the difficulty in securing cargo ships when wanted were responsible for the falling off.

BOYKINS.

DEATH OF MR. JAMES D. DARDEN.

(Special to Virginian-Pilot.) Boykins, Va., Nov. 2.—Mr. James D. Darden, one of Southampton's wealthy and most beloved citizens, died about midnight last Monday at his elegant residence in Newsoms. An immense crowd of the most prominent people of this county and many from the adjoining State were in attendance upon the funeral services, held at the Methodist Church yesterday afternoon.

Rev. N. B. Poushee, the pastor, conducted the services, and gave a most just and touching talk of the many lovable traits of the deceased. Rev. H. H. Burris, of the Baptist Church, was also in attendance, taking part in the services.

Mr. Darden was very highly esteemed for those gifts and graces of heart, head and hand which greatly endeared him to a very large circle of acquaintances and friends.

He was the senior member of the firm of Darden & Howard, at Newsoms. Mr. Darden was a conscientious and consistent member of the Methodist faith. His works attested the genuineness of his belief and the generosity of his heart.

There are left to mourn his death his wife, Mrs. Mollie J. Darden, and three children, Richard, Minnie and Carrie, his aged father, Mr. Richard Darden; his sister, Mrs. John Schrell, of Courtland; and his nephews and business partner, Mr. Richard Howard.

The body was laid to rest in the Newsoms cemetery, the mound being completely hidden by the many beautiful floral designs.

Gravelly, of Danville, at Manila, where he was stationed with his command, Company H, Twenty-seventh Regiment, United States Volunteers, in which he was enlisted July 27, 1899. A COMPLIANT PARENT.

The following form may be helpful to the anxious would-be son-in-law who shivers at the mere thought of a preliminary interview with "papa."

"I have come to ask for Dorothy," I said, as we stood in the doorway, she giving my hand an encouraging squeeze.

"And I for Robert, father," added my Dorothy, as she crossed swiftly over and wound her arms about his neck.

Her father's eyes twinkled. "Ah," said he, "a joint appeal. With such unanimity as this, I suppose that it only remains for me to announce that you are yours."—Mark Lee Luther, in the November "New Lippincott."

Uric Acid or Gout Poison BUFFALO LITHIA WATER

Registered by U. S. Patent Office

Goes to PARIS and to HOT SPRINGS for Uric Acid Diathesis, Gout, Rheumatism, Bright's Disease, Calculi, etc.

Dr. Thomas H. Buckler, of PARIS (formerly of Baltimore), Suggestor of Lithia as a Solvent for Uric Acid, says: "Nothing I could say would add to the well-known reputation of the BUFFALO LITHIA WATER. I have frequently used it with good results in Uric Acid Diathesis, Rheumatism, and Gout, and with this object I have ordered it to Europe, from Baltimore. Lithia is in no form so valuable as where it exists in the carbonate, the form in which BUFFALO LITHIA WATER, Nature's mode of solution and division in water which has passed through Lepidolite and Spodumene Mineral formations."

G. Halstead Boyland, A. M., M. D., Doctor of Medicine of the Faculty of PARIS:

"In cases of Bright's Disease, in which albumen in the urine reached as high as fifty per cent., I have used BUFFALO LITHIA WATER, gradually known it, under a course of BUFFALO LITHIA WATER, diminish and finally disappear; at the same time other alarming symptoms were relieved and the sufferers restored to health. In Stone in the Bladder of the Red Lithic Acid and the White Phosphatic Deposit its solvent power is unmistakable. In Gout, Rheumatic Gout, Rheumatism, and all diseases of Uric Acid Diathesis, the best results which I have witnessed from any remedy have been from this Water."

Dr. Algernon S. Garnett, Surgeon (retired) U. S. Navy, Resident Physician, Hot Springs, Ark.:

"My experience with BUFFALO LITHIA WATER is limited to the treatment in the use of BUFFALO LITHIA WATER of Gout, Rheumatism, and that hybrid disease, 'Rheumatic Gout' (so-called), which is in contradistinction to the Rheumatoid Arthritis of Garrod. I have had excellent results from this Water in these affections, both in my own person and in the treatment of patients for whom I prescribed it. Of course, the remedial agent is its contained Alkalies and their solvent properties. Hence is a prophylactic as well as a remedy in Nephritic Colic and forming Calculi, when due to a redundancy of Lithic Acid."

Dr. Wm. F. Carrington, Resident Physician, Hot Springs, Ark., Surgeon (retired) U. S. Navy:

"BUFFALO LITHIA WATER Spring No. 2, has signally demonstrated its remedial power in Gout, Rheumatic Gout, Rheumatism, Uric Acid Gravel, and other maladies, dependent upon the Uric Acid Diathesis. "It not only eliminates from the blood the deleterious agent before it crystallizes, but dissolves it in the form of Calculi, at least to a size that renders its passage along the ureters and urethra comparatively easy." For Pale, Anæmic, Exhausted Subjects Spring No. 1 is especially indicated. In the absence of these symptoms No. 2 is more especially indicated."

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally.
